## WHO WE ARE

### ZULMA ARCEO Site Coordinator

I am starting the school year at Glasgow Middle School as the new Site Coordinator. This is my first year with CIS NOVA, and I am very excited to be joining and working with everyone! As a Site Coordinator, I will be working with students and connecting them to resources and programs despite any barriers they may be facing. Along the way, we will empower each other so that students can thrive in school and in life. I look forward to being at GMS!
