

College Partnership Program (CPP)

The mission of CPP is to close the opportunity gap by preparing students for college readiness and success. CPP's goal is to ensure that students capable of completing a college preparatory path will: succeed in rigorous curriculum, actively participate in the school community, enroll in a four-year college or another post-secondary program, and become responsible participants and leaders of society.

Would you benefit from the following elements?

- Having a trusted adult at school to touch base with about academics and social-emotional wellbeing
- Organizing your time, materials, thoughts, and writing
- Getting and staying motivated to succeed in school
- Exploring colleges, careers, and a variety of pathways to postsecondary success

Do you fit into ONE or more of the following categories?

- First in your family to attend a four-year college in the U.S.
- Need financial support to attend college
- Current GPA of 2.5 or above
- Determined to go to college
- Willing to take some advanced courses and put in the necessary work
- Good attendance record

If you've answered "yes" to any of the above, then CPP might be for you! Talk to your school counselor, as CPP just may be a good fit for you. Additional information about CPP is on the [FCPS website](#).
